October Quarterly Report (8/30/00-9/30/00)

Dear Mr. Ragan:

Please excuse this late reply to your inquiry. I was on vacation over Christmas and the New Year and just returned to the office today. Regarding Laurence Shelver and the fact that his contribution does not appear on the October Quarterly Report, I have discovered that his contribution was incorrectly attributed to Home Depot Inc. PAC. This error occurred because our database for PACs includes a contact name and when I keyed in "Shelver" it brought up Home Depot Inc. PAC. This error was due in part to the fact that I had to key in 140 contributions from a large fundraiser in a very short time. I am enclosing a copy of page 6 of 6 for line 11c for your reference. Home Depot PAC did not make this contribution. Laurence Shelver made this contribution.

Please advise me if you require an amended October Quarterly Report after considering my written explanation.

Sincerely,

Robert J. Bohnert
